

## Meet the Hoosier Energy Economic Development Staff

### Randy Haymaker

Randy Haymaker, Director of Public Affairs, advises Hoosier Energy's President and CEO on public policy issues and legislative matters. He also contributes agribusiness and infrastructure development experience to Hoosier Energy's economic development efforts.

Randy has served as director of the Mooresville Economic Development Commission, deputy finance director of the Indiana Department of Commerce, and rural development coordinator for Hoosier Energy.

Randy is past president of the Indiana Economic Development Association. A graduate of Purdue University, Randy generously donates significant time and his leadership to his alma mater.
