Services Provided:

GCEDC's mission is to foster an environment that will create jobs, increase the tax base and improve the quality of life for Greene County residents

GCEDC is the primary organization in the county that promotes a variety of industrial and business development activities as well retention and expansion of existing businesses. GCEDC also coordinates with other local and regional agencies to provide educational services such as business start-up and entrepreneurial development workshops, and facilitates presentations on important local issues and tools used to attract new industry and businesses. GCEDC uses an integrated approach to community, business, workforce and economic development.

Specific services include:

Economic Development: Business attraction, Site selection assistance, Entrepreneurial & Small Business resources and support, Community profile and statistical data, Support NSWC Crane diversification, and development of WestGate@Crane Technology Park.

Community development: Infrastructure and site development, Planning support, Promote countywide collaboration, Chamber Coalition, Tourism industry development, HomeTown Competitiveness.
