

HELPING MIDWEST COMPANIES **THRIVE**

Hoosier Energy offers remarkable savings to new and expanding businesses

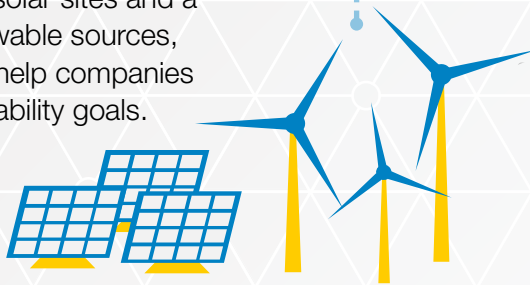

Hoosier Energy's Economic Development Rider (EDR) program offers big savings to new and expanding businesses in the service territories of its member cooperatives. Beginning with a 30% discount in the first year, the savings extend over the first six years of a new or expanding venture. Hoosier Energy's EDR program is creating jobs and helping businesses thrive.

**SAVE
5-30%**
over your first
six years!

Committed to Renewable Energy

With 10 utility-scale solar sites and a variety of other renewable sources, Hoosier Energy can help companies achieve their sustainability goals.

WHO'S ELIGIBLE:

New and expanding projects are eligible for the EDR if they meet these criteria:

- 500 kW minimum monthly demand
- Meet job creation and/or capital investment criteria
- EDR or state/local incentives a factor

ABOUT HOOSIER ENERGY

Hoosier Energy is a generation and transmission cooperative providing wholesale electric power and services to member distribution cooperatives in Central and Southern Indiana and Southeastern Illinois. Hoosier Energy also has a strong commitment to Economic Development, including incentives such as special economic development rider discounts. And because Hoosier Energy is a cooperative, it can offer greater flexibility, creativity, and responsiveness to the ever-changing landscape of business and industry needs.
